<p>Fireworks Safety Tips</p> <p>Use only legal fireworks. Only use fireworks that are approved by your state. Avoid buying fireworks that are packaged in brown paper.</p> <p>Keep water close. Do not forget to place a bucket of water nearby to use in case of emergency. Keep it handy to douse lit fireworks with water before throwing or to the backfire.</p> <p>Keep a distance from the firework. Once you're in the line, never count down. Because the fireworks did not light properly, douse it with water and do not attempt to relight it.</p> <p>Use fireworks outdoors. Whenever you use fireworks, make sure you are away from wooden and other flammable materials. Make sure children are away from fireworks.</p>	1	2	3	4 Happy 4th of July! CLOSED	5 Hawaiian Day	6

Hear Ye! Hear Ye!

We've hit the halfway mark ...can you believe it?! With warmer weather as well, (mostly)!

I hope everyone had a safe and fun Independence Day celebration!

For the rest of the month, well...let's see... We have International Joke Day, Teddy Bear Picnic Day, a Throwback Thursday to the Disco Era and then we celebrate your Inner Geek/Nerd/Dork on Friday the 12th, after that, can you believe there is a National Gummi Worm Day? There is and we will have fun with it! We will top off an UNO tournament on the 16th with the Championship round, to crown an UNO Champion! We will have our Annual Red, White & Blue Day with a picnic this year and some outdoor games! Then it's on to Pioneer Day and another Throwback Thursday, this time it's back to the 60's-70's for Flower Power! Then if we have an UNO tourn. we have to have an UNO Flip champion, too! The last day of the month is Harry Potter's birthday.
